SOME THANKS FROM THE RELUCTANT SECRETARY

Just wanted to thank some people in honor of the all too short season of thanks (not really ever out of season, I think).

Pete Denzin, for being my prompt tech support hero and managing our web site!

Ken Thompson, for taking great photos at the meeting (and the ride to Denver).

Bill Nesse, for helping out with web expenses during our first year.

Members and visitors (new and not so new), for making the meetings memorable!!!

HAPPY HOLIDAYS!
Hope to see you all soon.
